

# House of the Earth

**Alliance:** Alliance of the Rose

**Political Leaders:** High Lord Adam Davis Jameson and Haley Katherine Winson

**Geographical Features:** Belethyn Mountains, fertile farmland

**Main Exports:** Wheat, barley, rice, potatoes, assorted vegetables, livestock, assorted nuts, assorted herbs

**Cultural Notes:** While the House of the Earth is very tiny, it manages to generate most of the food in the Upper Realm. The social, political, and economic culture is driven by agriculture, and most events on a family level and on a lorddom level revolve around planting and harvest times.

**Fun Fact:** Although the House of the Earth is humble in terms of architecture and showcases of wealth, it is, in fact, one of the wealthiest and most self-sufficient out of the twelve.
