

House of Wind

Alliance: Alliance of the Lily

Political Leaders: High Lady Morgana Andrea Airian

Geographical Features: Belethyn Mountains, Calypso River

Main Exports: Mineral resources, salt, animal furs, sugarcane, tea

Cultural Notes: The House of Wind is the only matriarchy of the Twelve Houses, and the effects of this are present at every level. Many women become incredibly powerful in this House in business, education, and overall magical practices.

Fun Fact: High Lady Morgana was the only child of her parents, and she chose not to get married and share her power. Her daughter was born out of wedlock. Her father is unknown.
