

House of Darkness

Alliance: Alliance of the Lily

Political Leaders: High Lord Carron Hepti Infernos and High Lady Katherine Anna Finité

Geographical Features: The entire kingdom rests at the top of an escarpment, a geographical feature that separates two level land surfaces. Here, you will also find Crest Falls.

Main Exports: Metal, machinery, currency, clocks and watches

Cultural Notes: The House of Darkness is the most modern of all the Houses. The leaders of the House of Darkness recognize the importance that the Middle Realm has placed on technology and manage to blend both technology and magic in a way that no other House has accomplished.

Fun Fact: While they have a technological advantage, the House of Darkness has little fertile farmland and is highly dependent on other Houses to feed their population.
